MEMOIRE

design by Adele Martelli

Mémoire non è solo un tavolo, è anche un oggetto prezioso, in cui le forme morbide e sinuose si intrecciano e compongono geometrie rassicuranti, ma non scontate. Guardandolo riaffiora infatti alla memoria la bellezza di segni, superfici e sapori che reinterpretano il passato. E così ogni sua curva diventa quasi una carezza e avvolge come una mano dolce, leggiadra e accogliente chi lo usa.

Mémoire is not just a table, it is a precious object, where soft and sinuous lines are weaved together composing reassuring but not expected geometries. Just by looking at it, the beauty of signs, surfaces and tones from the past springs to mind. Thereby its every curve becomes nearly a touch and envelopes as a soft, graceful and welcoming hand, who uses it.

CURA E MANUTENZIONE DEL LEGNO

I legni utilizzati per i nostri prodotti sono di altissima qualità e lavorati con la massima maestria.

Le possibili differenze di tonalità o sfumature di colore sono da considerarsi caratteristiche naturali dei materiali e dimostrazione dell'artigianalità di lavorazione.

Per la pulizia quotidiana dei legni naturali, tinti e laccati, si consiglia di utilizzare un panno morbido o in microfibra, inumidito con acqua.

Non utilizzare prodotti spray, cere e prodotti che contengano alcool, solventi o abrasivi.

Pulire le macchie quando sono ancora fresche.

Tutti i prodotti sono realizzati nel rispetto dell'uomo e dell'ambiente.

CARE AND MAINTENANCE OF WOOD

The wood used for our products are of the highest quality and manufactured with the greatest craftsmanship.

Possible differences in colour tonality or shades are due to the natural characteristics of the materials and are to be considered as proof of artisanal workmanship.

For routine cleaning of natural, stained or lacquered wood, we suggest to use a soft or a microfiber cloth, dampened with water.

Never use spray products, wax or any product containing alcohol, solvent or abrasive.

Clean stains while they are still fresh.

All products are made with respect for the mankind and the environment.
